1. REVISIONS TO [PROCEDURE 12.021](#), VISITOR IDENTIFICATION IN POLICE FACILITIES, AND FORM 690, VISITOR LOG

Procedure 12.021, Visitor Identification in Police Facilities, has been revised to include use of the newer clip-on style, hard plastic, numbered, Visitor Identification Pass in police facilities. The revision requires close monitoring and accountability for these passes. Additionally, to remain in compliance with LEADS Security Policy, Department desk personnel must ensure all visitors provide proper identification when visiting a police facility and document the type of identification shown on the Form 690, Visitor Log. Department Form 690, Visitor Log, has been revised to account for the new requirements of Procedure 12.021. Form 690 is available in the CPDFORMS folder on the "H" drive of Department computers. The form will not be pre-printed and stocked by Supply Unit.

These revisions are effective immediately. Personnel should review Procedure 12.021 in its entirety. The revised procedure is available on the Department intranet and web page.

2. REVISION TO [PROCEDURE 12.240](#), OHIO MULTI-COUNT UNIFORM TRAFFIC TICKET (MUTT)

Earlier this year HB 337 went into effect, amending the Ohio Revised Code Section 4510.03, Court Records and Abstracts of Traffic Violations. The amendment that requires the county clerk to do the following:

"...within seven days after the conviction or bail forfeiture, shall prepare and immediately forward to the Bureau of Motor Vehicles an abstract, certified by the preparer to be true and correct, of the court record covering the case in which the person was convicted or forfeited bail."

Procedure 12.240, Ohio Multi-Count Uniform Traffic Ticket (MUTT), has been revised. In order for the Clerk's Office to remain in compliance, all traffic violations should be cited within seven days of the violation. However, OVI cases and juvenile traffic violations will remain unaffected by this change.

This revision is effective immediately. Personnel should review Procedure 12.240 in its entirety. The revised procedure is available on the Department intranet and web page.

3. ALTERNATIVE RESPONSE PLAN PROCESS IMPROVEMENT TEAM

Planning Section is seeking both civilian and sworn department members, at the rank of lieutenant and below, who are interested in participating in a Process Improvement Team to develop an Alternative Response Plan. The goal is to implement new ways to provide non-emergency police services.

Interested members should submit a Form 17 to Lieutenant Michael Fern, Acting Planning Section Commander, no later than Thursday, August 2, 2012.

4. HOXWORTH SUMMER LIFESAVER CHALLENGE

The Police Department and Cincinnati Fire Department are participating with Hoxworth Blood Center in the third annual **Summer Lifesaver Challenge**. This is a “friendly challenge” aimed at helping to save the lives of patients in local hospitals and also support the passion and mission of those in our community who help save lives everyday. The goal on Friday, August 10, 2012, from 0700 to 1700 hours, is to achieve participation from 200 individual donors. These donors could help save the lives of more than 300 patients in local hospitals that are in need of lifesaving blood components.

Attached to these Staff Notes is a flyer containing additional information on the blood drive. Blood donors will receive free valet parking, a free bottle of Montgomery Inn Barbecue Sauce, and either a free meal following their donation, or a \$10 gift certificate to the Montgomery Inn restaurant. This year, all donors will be registered to win a drawing for “**Dinner for Ten**” at the Montgomery Inn at the Boathouse restaurant. The flyer also contains the internet web address/link to schedule an appointment time, or to schedule by telephone, call 513-451-0910.

Personnel with questions regarding their ability to donate can contact Hoxworth Blood Center’s Donor Service Department at 513-558-1304 or visit http://hoxworth.org/donate_blood/eligibility.html through the Internet.

As staffing allows, personnel will be permitted to participate on-duty. However, there is no overtime authorized for those attending during non-duty hours.

5. PARKING RESTRICTION ON 14TH STREET BEHIND DISTRICT ONE

All personnel are reminded there is NO PARKING AT ANYTIME permitted for either personally owned or Department owned vehicles on the sidewalk areas to the north side of W.14th Street, between Providence Street and Central Parkway.

6. 2012 OHIO IDENTIFICATION OFFICERS FALL TRAINING CONFERENCE

7. COMPSTAT INFORMATION

[Attached](#) to these Staff Notes is the most current COMPSTAT Information. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.

8. POLICE CHIEF'S COMMENDATIONS FOR THE WEEK

**POLICE SPECIALIST DANIEL CAVANAUGH
POLICE OFFICER RICHARD WULLENWEBER
POLICE OFFICER SCOTT BODE
POLICE OFFICER ROBERT AHLERS
Southern Ohio Fugitive Apprehension Strike Team (SOFAST)**

**POLICE OFFICER BRIAN BOLTE
Central Business Section**

On May 24, 2012, Cincinnati Police Department members of SOFAST received information regarding a subject traveling into our jurisdiction who was wanted for Murder from Toledo, Ohio. Although it was after hours, Police Specialist Daniel Cavanaugh, Police Officer Richard Wullenweber, Police Officer Scott Bode, and Police Officer Robert Ahlers immediately responded and began conducting an investigation. Law enforcement officers from Toledo were able to develop information that the wanted person, Mr. Robert Ellison, was in the Central Business District of Cincinnati.

Specialist Cavanaugh, Officer Wullenweber, Officer Bode, and Officer Ahlers responded to the Central Business District, met with other officers and shared Mr. Ellison's photograph and suspect information. Over the next several hours, a search of the area continued. Toledo authorities were able to periodically keep Mr. Ellison on the phone. Mr. Ellison made statements that he was in a crowded area, that he was armed with knives and a handgun, and that he was going to put up a fight.

A person behaving suspiciously, with similarities to Mr. Ellison's photograph, was observed walking on Fountain Square. A tactical plan that minimized risk to innocent bystanders, other police officers, and Mr. Ellison was quickly developed. A triangulated approach with designated areas of responsibility was employed, while Mr. Ellison was given verbal commands to surrender. Mr. Ellison failed to respond to repeated commands instructing him to remove his hands from his pockets.

Communicating his intentions to Mr. Ellison and fellow officers, Police Officer Brian Bolte deployed his TASER. The TASER took immediate effect and Mr. Ellison was apprehended without further incident.

The professional manner in which the arrest of a dangerous felon was handled in the middle of Fountain Square is commendable. The decisive actions of the involved personnel resolved what could have been a critical incident with a major impact on the city. Specialist Cavanaugh, Officer Wullenweber, Officer Bode, Officer Ahlers, and Officer Bolte are commended for the dedication, tactical skills, and professionalism displayed during the arrest of Mr. Robert Ellison for Murder.

9. THANK YOU LETTERS

 - a. Personnel Management Unit will create a replacement Visitor Identification Pass, adding a letter behind the pass #. Example: If the pass being replaced was pass #1, then the new pass will be identified as pass #1A. If pass #1A is missing and being replaced, then the new pass will be identified as pass #1B.

12.240 OHIO MULTI-COUNT UNIFORM TRAFFIC TICKET (MUTT)

Reference:

Procedure 12.205 – Traffic Enforcement

Procedure 12.235 – Operating a Vehicle under the Influence (OVI): Processing and Arrest

Procedure 12.900 – Processing Juvenile Offenders

ORC 4510.03 – Court Records and Abstracts of Traffic Violations

Policy:

Officers will use the Ohio Multi-Count Uniform Traffic Ticket (MUTT) citation for all moving violations cited under city ordinances or state codes regardless of the violator's place of residence.

The citation is the actual summons so notarization is not required. Officers will record on the citation the date the summons is personally served on the defendant.

All citations for minor misdemeanor moving violations must provide the violator with the option of paying out the fine instead of appearing on the scheduled court date. Violators will not receive the payout option when one of the following applies:

- The violator requires medical care and/or is unable to provide for his own safety.
- The violator cannot or will not offer satisfactory proof of identity.
- The violator refuses to sign the citation.

Most moving violations are minor misdemeanors unless the violator has two previous convictions for moving violations within the past 12 months. Officers will treat all minor misdemeanor moving violations as a first offense (requiring payout option) unless the officer has personal knowledge the violator has two convictions for moving violations within the past 12 months. Personal knowledge should include the information available through the computer system.

Information:

A State of Ohio Supreme Court decision has stated: "The authority granted in Section 2935.03 to a police officer to arrest and detain an individual found violating a law of this State, does not confer authority upon a municipal police officer to arrest without a warrant outside the geographical boundaries of his municipality for traffic offenses observed by the officer to have been committed outside such municipal limits."

The Hamilton County Municipal Court requires that police officers advise persons cited to Traffic Court to bring proof of financial responsibility to court with them.

Procedure:

A. Completing MUTT citations:

1. Neatly print the citation in its entirety (except the signature of the violator).
 - a. All violators must receive a readable copy of the citation.
 - b. Give adult violators a court date seven calendar days from the date of violation.
 - 1) If the seventh calendar day is a Saturday, Sunday or Holiday, cite for the next available court date.
 - c. Refer to Procedure 12.900, Section G., when investigating juvenile traffic violations.
2. When issuing a citation for a traffic violation, the officer will include the violator's zip code as part of the address.
3. A total of six violations can be written on each MUTT citation. If conditions exist where more than one citation is issued to an individual, they will be handled in the following manner:
 - a. You must give the offender the same court date on each citation issued. You must continue to check the Court Appearance Required block for each violation requiring a court appearance.
 - 1) In instances of DUI arrests, refer to Procedure 12.235 for proper citation instructions.
 - b. The citing officer will write across the "Conditions" section of the citation the words, "Companion Case." Include citation serial numbers for each companion case.
 - c. When making a physical arrest write on the Arrest Form 527, under "Facts of Arrest," that it is a companion case. Include citation serial numbers for each companion case. Deliver all companion citations to Central Intake with the arrest slip.
 - d. Staple all companion cases together.

4. Check the Court Appearance Required block for each moving violation which is a fourth degree misdemeanor or higher. Violations not marked as Court Appearance Required will be considered payout citations.
5. Legibly sign (and/or print below your signature) as the charging officer and assign a court date on all citations.
6. Require the violator to sign the citation along the right hand side of the citation in the space marked "Signature" to acknowledge receipt.
 - a. Officers have the authority to make a physical arrest on all moving violations if the violator continues to refuse to sign the citation after being advised of the physical arrest consequences.
 - 1) If the violator refuses to sign the citation, the officer will notify a supervisor of the situation. The supervisor will review the circumstances and decide if the violator will be arrested.
 - 2) When a physical arrest is affected, the officer will write "Refused" on the signature block of the MUTT. The officer will also write "Physical" across the Court Date block at the bottom of the citation to cancel the court date and payout option.
 - 3) The officer will write on the Arrest Form 527 that the subject refused to sign the citation.
 - 4) Officers will not make a physical arrest in situations, such as auto accidents, where the officer did not witness the violation. If the violator refuses to sign the citation, officers should write "Refused-auto accident" in the signature block of the MUTT.
 - b. If the violator is unable to sign the citation (unavailable at the hospital, unconscious, etc.), the issuing officer will exercise reasonable measures to get the signature of the violator.
 - 1) In cases involving aggravated circumstances, the officer may choose to wait to issue the citation until the violator can sign. Another choice is to place a Police Hold on the subject at the hospital, completing an Arrest Form 527 after consulting with a supervisor.

7. When applicable, officers will complete the space for witnesses and officer's notes on the reverse side of the pink copy of the citation. Use the insert flap to prevent defacing the front of the page when writing on the rear of the carbonless form.
 - a. Any officer desiring a copy for personal use will use the unit copying machine to make such copy.
 8. Give the violator the Defendant's Copy of the MUTT citation.
 - a. The reverse side of the Defendant's Copy of the MUTT contains pertinent information regarding payout instructions and contact information for the Clerk of Court's Office.
 - 1) Advise the violator to follow the provided instructions for paying or contesting the MUTT citation.
- B. To require additional security from moving violators and to assure compliance with the requirements of the citation:
1. Usually officers will not require additional security to ensure moving violators pay the established fine or appear as required, regardless of whether the violator is a Hamilton County resident, out-of-county Ohio resident, or out-of-state resident.
 - a. Most citations issued to violators for minor misdemeanor moving violations will simply provide both a court date and a payout option, as detailed above, without requiring further security from the violator regardless of the violator's place of residence.
 - b. Most citations issued to violators for moving violations which are fourth degree misdemeanors or higher will simply require a mandatory court appearance as detailed above, without requiring further security from the violator, regardless of the violator's place of residence.
 - 1) This general rule will not prevent officers from physically arresting violators for certain serious moving violations as detailed below.
 - c. Officers will advise violators that failure to pay the fine or appear as required will result in a capias being issued for the violator's arrest, and entry of such capias into the Regional Crime Information Center (RCIC) computer system.

- 1) The reverse side of the Defendant's Copy of the MUTT citation contains such a warning to the violator.
2. Officers may require additional security from some traffic violators, according to the guidelines listed below, to ensure compliance with the requirements of the citation in cases which include aggravated circumstances or in which the officer has reason to believe the violator will not pay the citation or appear in court.
 - a. Officers do not have the legal authority to physically arrest Hamilton County residents for minor misdemeanor violations unless the offender requires medical care, cannot or will not offer satisfactory proof of identity, or refuses to sign the citation; regardless of any aggravated circumstances that might be present. The violator's failure to comply with the requirements of the citation will result in a *capias* served by law enforcement officers.
 - b. Officers will continue to physically arrest Hamilton County residents for moving violations that are fourth degree misdemeanors or higher when aggravated circumstances exist, and police discretion so dictates.
 - 1) When a physical arrest is necessary for a charge that would usually result in a citation, the officer will call a supervisor. The supervisor will review the circumstances and decide if the violator will be arrested.
 - 2) The arresting officer will write "Physical" across the bottom portion of the citation, and complete an Arrest Form 527.
 - 3) The officer will call a supervisor in cases requiring a cash bond.
 - 4) When citing out-of-county Ohio residents or out-of-state residents for minor misdemeanor moving violations, citing officers may require the violator to post a cash bond. Do not accept a license from out-of-state residents as security for moving violations.
 - a) The officer will call a supervisor in cases requiring a cash bond.
 - 5) Such bond may be posted in one of the following two ways:

- a) If the violator has enough cash to post bond immediately, the officer will remove the violator to the Clerk's Office at the Justice Center, 1000 Sycamore Street, and witness the posting of bond before releasing the violator.
- b) If the violator does not have enough cash to post bond immediately, the officer will remove the violator to the Justice Center, Central Intake, without delay.
 - 1] The citing officer will not write "Physical" across the bottom of the citation, since the violator retains his option to payout or appear.
 - 2] The officer will write on the Arrest Form 527 "Detained for Bond."
- c. When citing out-of-county Ohio residents for moving violations which are fourth degree misdemeanors or higher, in cases in which aggravated circumstances exist and/or police discretion so dictates, officers may:
 - 1) Request the violator to surrender his valid Ohio driver's license as security to assure compliance, as may be done with minor misdemeanor moving violations, except that a driver's license may not be accepted if the violator is charged with any of the following offenses:

<u>ORC</u>	<u>CMC</u>	<u>OFFENSE</u>
4511.02	502-9	Disregarding a Police Officer's Signals - Fleeing
4511.19(A)(1)		Driving Under the Influence
4511.20	506-6	Reckless Operation
4511.251	506-30	Drag Racing
4513.36		Resisting Officer During Traffic Arrest
 - 2) **Or**, require the violator to post a cash bond as may be done with minor misdemeanor moving violations.

- 3) **Or**, physically arrest the violator, mark "Physical" across the bottom portion of the citation, and complete Form 527.
 - a) When a physical arrest is necessary for a charge that would usually result in a citation, the officer will call a supervisor. The supervisor will decide if the violator will be arrested.
- d. When citing out-of-state residents for moving violations which are fourth degree misdemeanors or higher, in cases in which aggravated circumstances exist and/or police discretion so dictates, officers may:
 - 1) Require the violator to post a cash bond, as may be done with minor misdemeanor moving violations, **or**
 - 2) Physically arrest the violator, marking "Physical" across the bottom portion of the citation, and completing a Form 527.
 - 3) The officer will call a supervisor when requiring a cash bond or when a physical arrest is necessary for a charge that would usually result in a citation.

RONALD G. JOSEPH

July 16, 2012

Police Chief James E. Craig
Cincinnati Police Department
310 Ezzard Charles Drive
Cincinnati OH 45214

Dear Chief Craig:

Since the headquarters for the Joseph Auto Group is located in downtown Cincinnati, I have had many opportunities to observe – firsthand – the excellent results of your efforts to create the new Police Cadet Program.

The cadets were most visible to us during the World Choir Games. How these young men and women were dressed, their willingness to be helpful, and their positive attitudes all combined to reflect well on Cincinnati. Moreover, by being a noticeable presence during the games, they generated a feeling of friendliness, warmth and safety downtown – attributes that will benefit Cincinnati long into the future.

On behalf of downtown business owners and workers, as well as the thousands of new visitors to our City and our downtown over the past two weeks, let me thank you for setting up this exemplary program.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ron", located below the "Sincerely," text.
